CITY COUNCIL MAY PROVIDE CHILDREN'S SWIMMING POOL

Farmers Petition Against Wednesday Half Holiday. Public Works Committee Instructed to Remove Rubbish. Fire Hall Roof to be Repaired. Weighmaster Wants to Change Salary Basis. Council Empowered to Levy 10 Mill Rate.

The regular meeting of the city council was held on Tuesday evening with all the members present. After the adoption of the minutes of the previous meeting, Donald Ross and Rev. A. L. Elliott, representing the Athletic Association, asked for information respecting the proposed swimming pool the city contemplates having in connection with the use of the water well at the exhibition grounds. The proposed tank will be 40 by 20 feet with a gradual slope. The proposition was referred to the public works committee to get all information possible and report at the next meeting.

Mr. Swanson, weighmaster, asked to be placed on a salary instead of on a commission basis, taking last year's revenue as a basis, which would amount to about \$425.00 a month. The matter was referred to the police and license committee to report at next meeting.

A letter was read from John Ross, deputy minister of agriculture, informing council that the municipality had been empowered to levy a 10 mill rate on farm lands for the year 1924.

Geo. D. Wallace, secretary of the public school board, thanking council for use of lots for playground. The letter was filed.

C. H. Russell, city solicitor, wrote collection of taxes from delinquent taxpayer. Council allowed a small reduction.

C. H. Russell reported that he had prepared agreements in connection with the sale of properties to J. G. Corbett and A. Rippen. Letter filed.

C. H. Russell wrote respecting collection of taxes on three automobiles. The matter was referred to the finance committee.

M. York applied for and was granted a restaurant license for the Blue Lantern.

Thos. Torson was granted building permit to make addition to his residence.

C. D. Smith & Co. informed council that his company had reduced the premium on fireman's insurance by \$100.00. Letter was filed.

Jas. A. Henderson & Co., auditors, reported that the audit for the first quarter of 1924 had been completed, and everything was in order. The report was received and adopted.

The following accounts were passed for payment: General, \$171.73; Electric Light, \$133.36; Waterworks, \$20; Supplementary, \$63.39.

MR. MUNCASTER WINS FIRST PRIZE

Mr. Eric Muncaster, of the Wetaskiwin high school teaching staff, is being congratulated upon winning a first prize in the Edmonton Junior contest for the best story on "If I had only one year to live." Mr. Muncaster's narrative is as follows:

"Not as a criminal, hopeless under sentence of death without possibility of reprieve; nor as a coward, vainly seeking distraction; but as the Hero of the Ages, destined to be the recipient of a yet fuller inheritance, would I seek to pass the 'drop of time' accorded to me. If my personal life, in my domestic life, in my business life, in my community life, my endeavor would be to give my best to my associates; to fill 'the unforgetting minute' with sixty seconds' worth of distance run; to achieve something of that ideal of service which makes life long or short, ennobling and beautiful. And so, though the thought might be farthest from me, there should arise in me a spirit of reverent appreciation for life's good things which should inevitably bring a readiness to die, and perhaps at the end someone might say, 'This was a man.'"

ALL STORES ARE TO CLOSE DURING JULY AND AUGUST

The Wetaskiwin Retail Merchants' Association held a meeting Wednesday forenoon, when it was decided to abolish any further stores to have a holiday respecting the Wednesday half holiday passed, as it was mutually agreed that the stores in the city would close during the months of July and August.

TOWN TOPICS

L. H. Horncastle of Ponoka, has accepted a position on The Times staff.

Miss Fairy Willows, who was also a competitor, was given honorable mention.

Mrs. F. Young of Gwynne, returned a few days ago from an extended trip to Vancouver, Spokane and Seattle.

Wm. Mellett left a few days ago on a business and pleasure trip to his old home in Prince Edward Island.

The friends of W. F. H. Montgomery regret to learn that he is confined to the house this week through illness.

The fire brigade was called out on Saturday to a rubbish fire on the east side which had got beyond control. No damage was done.

Prost was reported in the district Monday night and some advanced wheat was slightly damaged. The seedling is practically all finished in the district.

Chief of Police Shelton submitted a report for April, which was received and adopted.

Fire Chief Montgomery submitted a report of two fires for the month of April.

The question of the purchase of a motor truck was briefly discussed, but no action was taken.

C. D. Enman, official assignee, notified council that Aboussay & Magnus had applied for a discharge of assignment. Council will offer no objection to the application.

The offer of Mrs. Jas. Calne to purchase two lots south of the exhibition grounds at \$10 each was accepted.

Two petitions, signed by 84 farmers, were presented and read, protesting against the Wednesday half holiday closing during the summer. These were referred to the Wetaskiwin Retail Merchants' Association.

It was moved by English and Moan that the necessary steps be taken to advertise the Wednesday closing holiday, and the secretary was instructed to insert the advertisement in the local newspaper submitting the lower price for the work.

The matter of raising the sidewalk in front of A. A. Ellis' residence to the street level was referred to the public works committee with power to act.

The question of cleaning up the vacant lots was considered, and it was agreed that the public works committee be instructed to take action.

A list of property to which the city has claims was checked over, and it was decided to advertise same, in accordance with the Tax Recovery Act.

The public properties committee was instructed to complete the fixing up of the auto camp as quickly as possible.

It was decided that the police and license committee be empowered to remove covering over the city weight scales.

Meeting adjourned.

MEETING OF THE HOSPITAL BOARD

The regular meeting of the hospital board was held on Wednesday evening of last week with all the members in attendance.

The auditor's report for the quarter ending March 31st was received and filed.

The offer of C. W. Niles to rent the small store in connection with the hospital at \$10.00 a month, and the consent to pay all expenses of alterations, and any increase in insurance to property caused by such tenancy.

It was agreed that from June 1st to October 1st, the janitor of the city offices and hospital be placed on half time at \$35.00 per month, and that Mr. Fee be given the preference for the work.

Messrs. Neville, Montgomery and Smith were appointed a committee to interview the council of the Bigstone Municipality to grant to the hospital and Messrs. Moan, Montgomery and Smith were delegated to interview the Municipal District of Montgomery on the same matter. Dr. Johnson and Mr. Neville will interview the Wetaskiwin council respecting grant.

The house committee were asked to report at next meeting respecting increasing of charges to maternity cases by \$5.00. The same committee will report respecting the Orange Lodge room and the question of a nursery.

The question of a hospital day was left with the chairman and matron.

The matter of engaging a successor to Miss Ballah was left with the house committee.

Mrs. Kadlee will be allowed her vacation at the end of September or the first week in October.

SATURDAY WILL BE A HOLIDAY

Saturday of this week is Victoria Day and a Dominion holiday. All places of business in the city will be closed for the day.

OUR SPECIAL ISSUE

This week the regular issue of The Times contains twenty pages, sixteen of which are printed on good quality paper. We have gone to considerable trouble and expense in getting illustrations which will clearly show to the outsider and prospective settler the conditions of Wetaskiwin and community. In addition to these views, the reading matter contains facts and figures which are convincing that this community cannot be surpassed as a commercial centre anywhere in Western Canada.

This paper is being sent to every home in the country tributary to Wetaskiwin, and it is the hope of the publisher that the efforts of the staff in getting out a publication which would be a credit to Wetaskiwin and district will be appreciated.

The advertisers have featured "buying at home" and the readers should study the advertisements in this issue and compare prices with those announced by the departmental stores and other concerns soliciting business throughout the district from outside points.

Copies of this issue may be procured at The Times office by those desirous of sending them to friends, the charge being only ten cents a copy.

OBITUARY

TOSTEN T. WEFLEN

It is our sad duty to announce the death of another of the early residents of the Wetaskiwin district in the person of Tosten T. Weflen, who passed away at the home of his daughter, Mrs. Fred Nelson, on Sunday last.

Mr. Weflen had been in excellent health for a part of his years, and passed away in his sleep at the great age of 89 years, 11 months and 3 days. He leaves to mourn loss of a loving father and grandfather, two daughters, Mrs. A. Dahms, of Detroit, and Mrs. Fred Nelson, twelve grand children and seven great-grandchildren. His wife having predeceased him thirty-five years ago.

He was born in Valdres, Norway, and came to the U.S. in 1855, where he resided until 1896, when he came to Alberta, hence he lived here for twenty-eight years. He farmed in the Crooked Lake district until about 20 years ago, when he retired from active farm life.

He will be greatly missed by his many relatives and friends in Wetaskiwin and surrounding district, and also in the United States. The funeral was held on Wednesday afternoon at the Wm. Church, conducted by the Rev. Lee.

DAVID AMBLER

There passed away in an Edmonton hospital on Wednesday evening David Ambler, of the Irma district at the age of sixty years. Deceased was one of the early settlers of this district, but left several years ago to take up a large ranching area in the Irma district. The funeral takes place on Sunday afternoon, the interment being in the Wetaskiwin cemetery.

IN MEMORIAM

In loving memory of John Dinney, who passed away May 21st, 1923. Rest on beloved and loved. Fond memories within our hearts we keep.

Thy smiles and words and actions kind Will never fade from our mind. We've wondered why God took you then.

We've pondered o'er and o'er again. It must have been he thought it best To give you His eternal rest. When the dawn breaks and shadows flee, We'll meet again in all eternity. Sleep, beloved, sleep. —Inserted by Wife and Children.

Alberta Girls Won

Victoria, May 22.—In one of the best exhibition basketball games ever staged here, the University of Alberta girls last night defeated the Victoria "Fido" girls' basketball team, 16 to 14. The contest was close from start to finish and the locals set a merry pace throughout, tying the score twice, although unable to break into the lead.

TOWN TOPICS

The W. A. of Immanuel church will hold a rummage sale on the east side of the track on Saturday, May 24th.

Mrs. W. G. Dietz has just returned from Carstairs with her two daughters. She was visiting her mother, Mrs. Brock.

The first electric storm of the season passed over Friday evening last. A nice shower of rain fell, which temporarily laid the dust.

The MacEachern Milling Co. is replacing their old boiler with a much larger one, the old boiler being too small to handle the increased work.

Mrs. Geo. Goldson and Mrs. T. Anderson of Newkirk, England, cousins of Mr. J. E. Fraser, visited at his home over the week-end en route to Prince Rupert, B.C.

The Tuxis Boys' Athletic Meet will be held on the Exhibition grounds on Saturday, May 24, beginning at 10 a.m. Boys from Leduc and Camrose will be in the competition.

The Willing Workers of the Presbyterian church will hold a tea and food sale in the Sunday school rooms on Saturday, June 14th, from 3 to 6 o'clock. Everybody is cordially invited.

A junior contest in expressive work will be held in the Methodist church on Friday evening, May 30th. Seven contestants will compete for a medal donated by the W.C.T.U. A silver collection will be taken at the door.

A. G. Kretsch, who has been the manager of the Revelstoke Sawmill Co. yards here for some years, is leaving Wetaskiwin for the coast in the next few weeks. He is holding an auction sale of his goods on Saturday, May 31st.

Dr. J. S. Sutherland has sold his practice here to Dr. C. M. Gunderson of Inmanford. Dr. Sutherland has not been well since last October and is leaving early in June for the Mayo Clinic, Rochester, Minnesota, where he will undergo expert medical treatment.

We understand that the proposition referred to last week to have Wetaskiwin enter a four-team semi-professional baseball league, has not materialized. An effort will now be made to play intermediate baseball, forming a league of Wetaskiwin teams, or possibly having a series of games with surrounding towns.

At the annual display of dancing given by Miss Lotta Boucher, at the Temple Theatre, Edmonton, on May 16, the name of Miss Nora McGrandle appeared giving a solo waltz entitled "Valse Amoureuse." Miss McGrandle wore a dress of fine green silk, with an overdress of silk net in the same shade. Little Phyllis McGrandle, a cousin, appeared in three numbers of the same revue.

On Wednesday evening, June 12th, Mrs. Ferguson, of Glasgow, Scotland, who is now touring Canada, will give an address in W.C.T.U. work, in the Presbyterian church. A meeting for boys and girls will be held in the church immediately after school on that day. Miss Ferguson is a speaker of some renown, and a treat is in store for those who hear her. Everybody is invited to the evening meeting.

Mr. and Mrs. L. Zack and family left on Tuesday for Edmonton, where they will spend a few days with friends before going to Seattle, where they will make their future home. On Friday evening the Odefflowers and Rebekahs held a social evening in the lodge room in their honor, when Mrs. Zack was presented with an emblem of the Rebekah order. Mr. and Mrs. Zack expect to pass through the city on Tuesday en route to their new home. They leave a large number of friends here who wish them every success wherever they may locate.

A neat little pamphlet has been prepared by the Canadian Pacific Railway with a view to assisting the public to plan their summer vacation trips. A large number of summer excursion fares and sleeping car fares are quoted in it.

The company has also issued a compact folder regarding the "Trans-Canada Limited" — the fastest train across Canada without schedules and other information.

A copy of either of both of these will be gladly furnished to any one upon application to the Canadian Pacific ticket agent.

FOUNDATION OF KIWANIS IS PRACTICE OF GOLDEN RULE

Rev. A. L. Elliott Gives Talk on Week-Day Religious Education. Question is National Problem. Report Given on Tree Planting Campaign. Challenge of High School Baseball Team Accepted.

The regular weekly meeting of the Kiwanis Club was held in the banquet room of the Driad hotel on Tuesday, May 20. Before the supper, Kiwanian Earl Garlough reported that a challenge had been received from the high school baseball team to a game on Tuesday, May 27. Judging from the enthusiastic raising of hands when volunteers for the game were requested, there will be a large muster of Kiwanians on the dusty diamond when the game is called on Tuesday next.

After the supper, Rev. A. L. Elliott, M.A., B.D., addressed the club on the subject of "Week-Day Religious Education." He made no apology for speaking to the club on this subject, he said, as he understood that the foundation stone of Kiwanis is the practical application of the Golden Rule to everyday life. The speaker made an appeal to the Kiwanis Club to take the lead in moulding public sentiment on the question of religious education, at least to the extent of giving it support in principle. It was pointed out that only two to seven children of school age in the city were receiving religious instruction — a fact which should be discovered by independent investigation. The average figures for the whole country indicate that only one in four were receiving such instruction. Further, the

speaker pointed out, the average time spent on religious education is very short, for every thirty hours devoted to the secular education of the child there is only one hour given to religious education. The problem was not one for the churches, as would be thought at first, but was a national problem, and therefore one for some public or semi-public body to sponsor. The Kiwanis Club could do much, the speaker argued, towards developing a healthy public interest and perhaps bringing together other bodies to undertake the work. Mr. Elliott's appeal was both forceful and eloquent, and his hearers were strongly impressed by his enthusiasm.

Kiwanian R. W. Manly reported that as a result of the tree planting campaign trees to the number of 149 had been planted, on Pearce Street West, Lorne street and elsewhere. Unfortunately some tent caterpillars have been imported with the trees, but active steps to exterminate these undesirable settlers will be taken immediately by a volunteer crew of the members of the club, who will probably have concluded their task by the time this report appears. Kiwanian Stanley also announced that the committee appointed to deal with the question of a Soldiers' Memorial has been active, and will have a report to present at an early date.

Cadogan Hardware Store Broken Into On Monday

Cadogan, Alta., May 12. — During the early hours of the morning a thief forced his entrance through a back door in Paulson Brothers' hardware and stole goods amounting to about \$100. When the proprietor opened the store at 8 o'clock, he noticed a deep hole near the rear door which the thief had made to help him lift the stock from the back. The only traces left were a few footprints and an empty snuff box, the latter having been lost while the hole was being dug in the dark. The police are investigating.

Sunday Observance — Mr. Ramsay McDonald has enthusiastically declared to the Free Church Council at Brighton, that he is in favor of a stricter observance of Sunday.

The decision of the British parliament against introducing legislation which would permit the Sunday opening of Wembley exhibition will be welcomed by all who are interested in the sacred observance of our Sabbath and in the retention of a weekly day of rest.

Government Revenue — Prince Edward Island has a deficit and a comparatively small horse bill. If the people have enough levies to pay themselves to meet the deficit, rather than fall to the temptation yielded to by the other maritimes, they will maintain their self respect and save the balance on the minimum of poverty and crime.

Liquor banned at Princeton — Practically all committees on reunion of alumni classes have promised that they will not serve liquor at their class headquarters, or class dinners. This reform, says the Continent, is long overdue at Princeton, and will for many Princeton men remove the sole unhappy impression which shadows their love for their noble Alma Mater.

Mrs. Stoddard, World's superintendent of scientific temperance, in a talk to the collegiate students at Weyburn, termed drinking habits old-fashioned and said that they had no place in this high-power age.

Elizabeth Knox Powell considers textbooks the crux of the whole matter, and a rigorous teaching of scientific temperance as it relates to alcohol and other narcotics. She reminds the young teachers that this is a relay race; that every generation needs educating; and urges them to impart the seeds of total abstinence and righteous living in the hearts of the pupils under their care.

One of the definite results of our work in the Ruthenian Colony is the organization of the "Ukrainian Moral Reform League" a total abstinence society among the Ukrainian people, which has among its members some of the leading people of all religious opinions.

THIRD GOVT. CROP REPORT

Wheat seedling in Alberta was practically completed over the entire province by May 20. Seeding of oats is well under way. About 25 per cent of the early sown wheat is now appearing above ground and is in a healthy condition.

Moisture conditions in the major portion of the province are still satisfactory, and the new crop is germinating well, particularly on summer fallow. There has been practically no snowing for more than a fortnight, however, and hot, dry winds late last week had a tendency to dry out the soil, so that the need of rain will be felt within a short time, though the storage of moisture in the soil at the beginning of the season in most districts has given the new crop a splendid start.

Rain is urgently needed in south-eastern localities which were not favored with the same winter and spring precipitation as the other districts of the province.

Wheat acreage thus far does not reach last year's extent, but the coming of more moisture in the near future will have a tendency to increase the area seeded to this crop. The area in oats is likely to be somewhat greater than last year. In the southern districts alfalfa is making a good showing, and the prospects for the new crop are bright.

Some districts also had large areas planted to fodder crops such as corn and sweet clover.

The farm labor situation has been kept well in hand by the labor bureau, and practically every demand has been met to date.

HONOR ALBERTA MEN

Alberta university did honor to three prominent Alberta citizens last week at convocation, when the honorary degree of LL.D. was conferred. Those receiving the degree were Chief Justice Scott, who has been thirty years on the bench in Western Canada, and C. P. Marker, dairy commissioner for Alberta, who came from Denmark as a 14 year old boy, and has resided in Alberta for nearly 30 years. Vernon Barford, for over 20 years a resident of Edmonton, and an active force in musical circles of the province was given the honorary degree of M.A. Mr. Marker was recently created a knight of the Dannebrog, by the King of Denmark.

BIG ROUND-UP

What will probably be the last big round-up of horses in the West will take place within a few weeks in the rugged country south-east of Calgary. The round-up will be for the purpose of cleaning the ranges of stray horses the department of agriculture supervising arrangements. The horses will be rounded up into one central corral where swarms may claim their animals. It is expected that about 10,000 horses will be rounded up.

Wants to Be Serious

Yes! Ben Turpin is permanently cross-eyed, though his feet are not the monstrosities they appear when made up for the screen. Quebecers who discovered this when he and Mrs. Turpin stayed at the Chateau Frontenac recently were also surprised to find them a most retiring, modest, quietly dressed and devoted couple, quite unlike the movie people one imagines.

The manner in which Mr. Turpin has risen supremely over the handicap of those famous eyes is an example of the courageous turning of an impediment to good account. "I love serious acting," said Mr. Turpin when interviewed on the Canadian Pacific en route to Montreal. "and long to play tragic roles, but, of course, I haven't the looks. So I do the next best thing—I make people laugh. Moreover, it's a pretty hard job being funny all the time. Often I feel more like crying. But I've got to make 'em laugh or my head will drive me crazy."

Ben is an American of old stock but Mrs. Turpin is a French Canadian. Hence this was not by any means the first visit of the comedian and his wife to Quebec, but the trip on this recent occasion was somewhat in the nature of a pilgrimage from Los Angeles to the Shrine of Ste. Anne de Beaupre.

Ste. Anne de Beaupre will again this year, be the Mecca of thousands of pilgrimages. The new basilica, which is being hurried as possible will not be ready for occupation for some two or three years yet, but the little wooden church which, since fire destroyed the old basilica, has housed the shrine, is serving a useful purpose and this summer will no doubt see many sticks and crutches added to the pile within its doors.

WETASKIWIN ATHLETES ON VARSITY TEAM

It may be of interest to the citizens to know that among the students of the University of Alberta graduating class was Miss Margaret Stanford, a former Wetaskiwin girl, who attended public and high school here. She received the degree of B.A.

During her attendance at the university "Peggy" has been a star guard of the Varsity basketball team, which is at present on a tour of the coast, playing at Banff, Kamloops, Penticton and Victoria. This team has won every game it has played from Vancouver in the last two years, with the exception of the Commercial Grade, who defeated them by a close margin this spring. From the spectators' point of view this game was the closest match the Grads have had.

It may be of interest also to note that Miss Francis Alexander is a sensational forward of this team, while Miss Mae MacEachern was its captain last year. Wetaskiwin can be justly proud of its representation in this line of sport.

Had Twenty Bad Spells a Day With Her Heart

Mrs. R. K. Chapman, Chatham, N.B., writes:—"I was ill with heart trouble for nearly two years, and at the time I was in the hospital and taking doctors' medicine. All this time I would take sickening spells and would feel as if I were going to die. I would turn blue and get so cold as to feel that I would never get warm again, and then would have to stay in bed for weeks at a time. I have had as many as twenty bad spells a day, and the last time I was ill my husband called in the doctor and he said I would have to go to Montreal and see a heart specialist, but that I could not go until I was stronger. In the meantime, I saw your Heart and Nerve Pills advertised and I thought I would try them. I can tell you that I felt the good of them, and after a week's use I was able to get up, and I can honestly say I have never had a bad spell since, and now look fine and healthy. All the neighbors who live near me say your Pills are a marvel. The reason I am sending you this letter is that I know there are a lot of heart sufferers in this world, and I would like anyone who suffers like I did and lived in misery for two years to give them a fair trial."

Milburn's Heart and Nerve Pills are sold at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

TOURIST TRAFFIC TO BE HEAVY

Expectations are for a very heavy tourist traffic to the Province this season. The railways are preparing for a large influx of tourists to the mountain parks, which will be open shortly, and the various auto clubs in the province have indications of heavy tourist travel. The Mounted Police pageant and celebration at Macleod, the Stampede at Calgary, and the Stampede and Exhibition at Edmonton, are events which are expected to attract many visitors. The Mounted Police pageant is on July 1, 2 and 3, and the Calgary Stampede is in the week of July 7, with the Edmonton events the week following.

There is now no doubt that the port of Vancouver will ship out 50,000,000 bushels of grain during the current crop year. Official returns to the end of March show that the receipts there had been 35,614,000 bushels, or 22,336,000 more than during the same months last year, and there are five months still to run.

Was Troubled With ECZEMA For Fifteen Years

No rest day or night for those afflicted with this terrible skin disease with its unbearable burning, itching and torturing day and night. Relief is gladly welcomed and there is no remedy like Burdock Blood Bitters to drive the eczema out of the system.

Mr. F. W. H. Schultz, Clothing Merchant, Pembroke, Ont., writes:—"Having been troubled with eczema for fifteen years, during which time I tried everything I could think of, including doctors, but without getting anything to do me much good, I finally decided to take Burdock Blood Bitters, and it was certainly surprising to find that two weeks after I had started to take it I was relieved of my trouble. That was nine months ago and I have not had a sign of it since. I surely wish to thank you for this wonderful medicine and strongly recommend it to anyone suffering from the same trouble as I had."

Found Relief From CONSTIPATION

By the Use of

Milburn's Laxa-Liver Pills

Constipation is the cause of more sickness than anything else, and a free motion of the bowels, at least once a day, should be the rule of everyone who aspires to perfect health.

Milburn's Laxa-Liver Pills will regulate the flow of bile to act properly on the bowels, making them active and regular in their action, and by doing this remove the constipation and all its allied troubles.

Mr. J. D. Charlton, 85 North St., Halifax, N.S., writes: "I have been bothered with constipation for a number of years, but since I started to take Milburn's Laxa-Liver Pills I have found such relief I will never be without them."

The Canadian Pacific is now perfecting plans to aid in the development of the mining industry of Ontario, by placing car ferries on Lake Temiskaming. These ferries will ply between South Lorrain and Ville Marie, and between New Liskard, Haliburton and other Ontario points, and the Quebec port.

Major-General MacBrien, chief of staff of the Department of National Defence, Ottawa, addressing the members of the Canadian Club at London recently, announced that it is probable that the Canadian Permanent Force of Militia will be established by Order-in-Council on April 1.

Forty-nine automobile cars of Ford models recently by Windor, Ont., for Vancouver, B.C., via Canadian Pacific. This was an unusual haul, the Canadian Permanent Force of Militia will be established by Order-in-Council on April 1.

The Canadian Pacific Railway, which in 1899 brought down to the head of the lakes only 20,000,000 bushels of grain, actually brought down 186,000,000 bushels last season. This is equal to the total volume of grain moved by all the railways of the United States combined during the same time to the terminals at Minneapolis, Chicago and Duluth.

The Canadian Pacific Railway within the next few weeks will have sent out to its station agents 11,000 packets of seed and from thirty to forty thousand flower bulbs, and later on to its Western station agents 100,000 trees and shrubs. It requires 200,000 bedding plants to fill the beds of the permanent gardens and parks of the company every year.

The crack train of the Canadian Pacific Railway, the Trans-Canada run every summer, will make the trip from Montreal to Vancouver in 90 hours, instead of 92 hours, the schedule run for last year. Previously the 92-hour run was the fastest continental run in North America, and the two hours cut off this time adds

She Was Bothered With Bronchitis For Six Years

Bronchitis should never be neglected, but should be checked immediately by the use of Dr. Wood's Norway Pine Syrup, and thereby prevent it becoming chronic, and perhaps causing it to develop into some serious lung trouble.

Mrs. Josiah W. Rutley, Newington, Ont., writes:—"I have been bothered with bronchitis every winter for six years."

During the evening, and in the night, I would have a slight fever and choke up with a sort of wheezing in my chest. I tried several cough mixtures, but they seemed to do me no good. A friend advised me to try a bottle of Dr. Wood's Norway Pine Syrup; I did so, and after I had taken four bottles I got better right away."

Here and There

For the first time in Ontario, an attempt will be made this spring to organize a voluntary egg pool. Arrangements for the undertaking have been completed by the United Farmers' Co-operative Company, and it is hoped to control absolutely the egg market in the province.

During the year 1923, 3,380 tourist automobiles entered the province of Nova Scotia, the Land of Evangeline, according to the annual report of the Nova Scotia Tourist Commission. Altogether 63,000 tourists visited the province and distributed a sum estimated at \$6,000,000.

A picked detachment of an officer and ten men of the Royal Canadian Mounted Police recently crossed the Atlantic on the Canadian Pacific liner Melita. Their duty will be to guard the Canadian exhibits at the British Empire Exhibition. The Exhibition and buildings cost about \$200,000,000.

A chain of factories stretching across Canada will be established by the Dominion Turf and Paper Company, sponsored by English interests. This was announced by the Earl of Dufferin, V.C., and Sir Harold E. Smith after a recent visit to Canada. Sites have already been secured in Montreal, Winnipeg, Vancouver and Toronto.

Canada's trade balance is being steadily maintained, for, according to the February returns, just issued, the imports for that month, which totalled \$62,133,882, showed a decrease of \$3,713,814, from the same month last year, while the exports for February this year, totalling \$67,274,543, showed an increase of \$9,618,662.

Hon. George H. Henry, Ontario minister of public works and highways, has announced a change in the method of financing the planting of trees along public highways. Instead of sending out its own workmen, the Government has a scheme whereby farmers plant trees in front of their own property. It will be bonused so much per tree for planting.

Over \$1,000 has been paid by the Province of New Brunswick in wild cat bonuses since the commencement of the present fiscal year. Already approximately 400 claims for the \$5 bounty offered for each animal have been handled by the chief game warden's branch of the Department of Lands and Forests. The report reveals a total surplus collectable on or hand of \$30,000, of which \$7,000 is on deposit in the bank. Operations have been so satisfactory that negotiations have been entered into with the Canadian Pacific Railway to set up a sinking fund of \$5,000 to \$5,000 to redeem bonds of the district held by the railway. In this way it is hoped that the district will be cleared of debt in a few years.

The splendid success attained by irrigators in Alberta is evidenced by the last financial statement of the River Irrigation District. The report reveals a total surplus collectable on or hand of \$30,000, of which \$7,000 is on deposit in the bank. Operations have been so satisfactory that negotiations have been entered into with the Canadian Pacific Railway to set up a sinking fund of \$5,000 to \$5,000 to redeem bonds of the district held by the railway. In this way it is hoped that the district will be cleared of debt in a few years.

The Canadian Pacific Railway announced that it will resume its winter cruises in 1925, one round the world and the other to the Mediterranean. The 22,000-ton Empress of France has been selected for the former cruise, which will last four months and will complete its tour of the globe. She will start from New York on January 27th. The ship has been recently converted into an oil-burner and entirely renovated. The Empress of Scotland, 22,000 tons, will make the Mediterranean cruise, lasting four months and including all points of interest on that sea.

The Trans-Canada Limited, the crack daily train of the Canadian Pacific between Montreal and Vancouver, and the longest and fastest long-distance express in the world, will resume service May 18th at both ends of the route. The running time between Montreal and Vancouver, formerly 92 hours, has been cut by two hours and the running time between Toronto and Vancouver, formerly 85 hours and 10 minutes, by one hour and 15 minutes. These cuts will benefit those going to Europe and the Orient.

INDIANS REAP LARGE CROPS

That the Indians of the three prairie provinces, who, up to a few years ago were nomadic hunters, produced in 1923 the astonishing total of 1,277,029 bushels of grain of all kinds is information most gratifying to all interested in the welfare of these wards of the government. The significance of this great crop which is half a million bushels larger than the crop of 1922, was made more apparent by an illustration.

This crop of grain, if placed in box cars of the average capacity, would fill 816 cars, which at 51 cars to the train would make 16 train loads of grain. These trains, with their locomotives and cabooses, placed end to end would reach a distance of six and one-half miles.

Look at Your Label

The Times wishes to draw the attention of subscribers to the label on their paper. By examining this label you will find your name on one side and on the other the month and year when your subscription is payable again. This means that you can tell at a glance whether, in order to keep your paper paid up in advance—which saves you Fifty Cents per year—you will need to send The Times \$2.00. We do not wish to strike anyone off the list. If you are struck off it will be your fault, not ours. Examine your label on this paper now and see if you are in arrears on your subscription!

PAY UP!

A minister, having preached a sermon on honesty, asked all those in the congregation who paid their debts to stand up. All except one stood up. "Now," said the minister, "all those who do not pay their debts stand up." The old, care-worn, corn-stalk, clad in clothes belonging to several seasons back, struggled painfully to his feet. "My brother," asked the minister, "how is it you don't pay your debts?" "Well, it's this way," answered the poor wretch. "I am the editor of the local paper, and all these people are—!" "Let us pray!" said the minister.

A WONDERFUL HEALTH BUILDER

Mrs. E. Commins, of 7331 10th Street, is another Edmonton Lady who has Tried and Proved the Merit of Dreo as a Builder of Health.

Mrs. Commins' daughter describes her mother's symptoms and the remarkable effect Dreo has had on them, in the following statement:—"Mother has suffered for years from rheumatism and constipation. Last December she came out of the hospital, having undergone a very serious operation, which left her system very weak and run down. For three months she lay on her back, and the rheumatic pains became much worse. She had dizzy spells and severe pains across her back from her kidneys."

"We tried everything possible, but our praise is all for Dreo, as it has done her more good in just a short time than anything else we have tried."

"Dreo has proved its worth to us and we highly recommend it."

Dreo is a reliable household remedy that has built up the health of thousands who have used it. Composed from the juices of medicinal herbs, roots, bark and leaves, it is a wonderful tonic for the whole system and quickly relieves indigestion, gastritis, sick headache, pains in the limbs, constipation and many other common ailments. Try a bottle to-day. Dreo contains no mercury, potash or habit forming drugs.

Dreo is being specially introduced in Wetaskiwin by Northern Drug Co. Limited, and is sold by a good drug dealer everywhere.
